Preparing For Your First Appointment

We are excited to welcome you to our pediatric practice! In order to serve your family best, please prepare to bring the following:

- Any insurance cards for current coverage
- Your driver's license or another valid photo ID
- Payment for any co-pays due
- A list of any prescription medications and vitamins the patient is currently taking
- Updated Immunization Record

A list of questions you'd like to ask, such as:

- How should I contact you when I have a question?
- What's the best way to get a prescription refilled?
- How far in advance will I need to make an appointment?
- Where should I go if the patient needs urgent or emergency care?
